## Correction of Past Issue of TOOL NEWS

Thank you for your continued support.

There was a mistake in the description of the Solid End Mill for Swiss-Type Automatic Lathes MS2ES, MS3ES and MS4EC in TOOL NEWS B205G released on March 12th, 2021.

We apologize for the inconvenience. Please note the following corrections.

### Corrections:

Tolerance corrections are described in TOOL NEWS, March 2021.
